Sir:

This communication responds to the Examiner's statement of the reasons for allowance of the claims, contained within the Notice of Allowance and Fee(s) Due mailed May 5, 2005 and in the Office action mailed December 16, 2004.

The Examiner indicates in his statement of the reasons for allowance that the prior art fails to disclose or suggest the combination of features set forth in the allowed claims, and recites a number of elements in support of this conclusion. Applicants wish to comment on the Examiner's statements regarding the reasons for allowance of claims 6-8 and 11-17 by pointing out that the reasons set forth by the Examiner refer only to certain features of independent claims

6 and 11 and are not the only reasons that claims 6-8 and 11-17 are allowable. The independent claims may include additional patentable features or combinations of features not mentioned by the Examiner or taught or suggested by the prior art. Additionally, each of dependent claims 7, 8, and 12-17 may include additional patentable features or combinations of features not mentioned by the Examiner.

As such, claims 6-8 and 11-17 may be patentable for reasons not mentioned by the Examiner as well as for those reasons mentioned by the Examiner.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'C. F. Laska'.
